AT TEMPO SOCIALS CO. OUR WEDDING PACKAGES OFFER BOUTIQUE CINEMATIC REEL PRODUCTIONS SUPPORTED BY A WARM AND STEADY PRESENCE FROM ELLIE.

EVERY MOMENT IS APPROACHED WITH CALM DIRECTION, AN EDITORIAL EYE, AND A FOCUS ON CAPTURING THE TRUE EMOTION OF YOUR DAY. FROM THE QUIET MOMENTS THAT BELONG ONLY TO THE TWO OF YOU TO THE CELEBRATORY MOMENTS AS YOU MAKE YOUR ENTRANCE, CUT YOUR CAKE, HAVE YOUR FIRST DANCE, LISTEN TO SPEECHES, AND SHARE YOUR EVENING WITH YOUR CLOSEST FRIENDS AND FAMILY.

PRE-PLANNING..

Initial Meeting

Your special day is getting closer, so this is where we take a moment to get to know each other. We can make this suit your day to day life. We can keep it simple with a quick call or meet on Google Meet with cameras on so we can connect properly.

Staying Connected

This is a boutique service and I like to keep it personal. We can set up a shared Instagram inspiration folder so you can drop in any reels or ideas that catch your eye. You can reach me through email or WhatsApp anytime. Choose whatever feels easiest for you.

Final Run Through

Closer to your date, we will meet again by call, Google Meet or settle in for a relaxed coffee catch up if you prefer something in person.

By this stage your timeline is usually set and the excitement is building (and the butterflies may have started). This is where we go through the final details, any notes you want me to keep in mind, and where I get to remind you that you can simply enjoy the day.

ON THE DAY...

Wedding Coordinator

If you have a wedding coordinator I will connect with them before the day and follow their lead as they manage your timings and vendors on the day, so you can simply enjoy your day while we work together in a calm and seamless way.

Your Person /No Wedding Coordinator

If you have a trusted person such as your MC or person of honour I will check in with them at different points throughout the day, making sure the moments that matter to you stay on track and never slip by unnoticed.

The Two of You

No matter which package you choose I will be close by your side while still remaining unobtrusive. It is an important and intimate day and my role is to bring a calm presence while capturing the moments you asked for and taking cues as the day unfolds.

YOUR WEDDING DAY STORY CAPTURED..

Your Reels are created to reflect the feel of your day. Each one is shaped around your relationship, your style and the moments that mean the most to you. I capture naturally as things unfold and plan key moments with you beforehand so what I deliver feels true to you.

Your wedding day holds many moments that can be shaped into cinematic reels. These ideas give you a sense of what we can create while keeping space for the natural flow of your day.

Below are some common concepts couples choose from, and we can blend or centre your reels around the ones that feel most like you.
